

Introducing MyMagic+ for Sports Teams

MyMagic+ is a fantastic new way for you and your team to experience even more of the magic at *Walt Disney World*® Resort. Now, you can experience the *Walt Disney World*® parks the way you want, both before and after your team competes at the ESPN Wide World Of Sports Complex.

You'll have access to a new website and mobile app called *My Disney Experience*, which is a free and fun digital guide to all there is to do at *Walt Disney World*® Resort. It features interactive maps, attraction wait-times, and the ability to reserve access (with paid theme park admission) to some select *Disney FastPass+* attractions, shows and Disney Character experiences, plus much more!

To Get Started:

Go to **StartYourDisneyExperience.com** and create a new account. We recommend creating an account associated with your team and not a personal one to ensure that your personal data isn't shared with everyone in your party. Once your account is created you'll have the ability to assign theme park tickets to individual team members and lock in some must-do *FastPass+* experiences.

- **Step 1: Link Your Tickets:** Make sure you have access to all of your team's ticket numbers and have a way to keep track of each ticket with the person you assign it to. We recommend you write the person's name on the front of their valid theme park (RF-enabled) ticket.
- **Step 2: Make Your FastPass+ Selections:** *Disney FastPass+* service allows you to reserve access to select attractions, shows and Disney Character experiences in advance, giving you the confidence of knowing you've locked in some of your must-do fun (paid theme park admission required). Groups (for best results, you are encouraged to break your groups into parties of no more than 10 at a time) can organize and schedule theme park activities around their competition schedule, allowing everyone to make the most of their sports vacation. You can schedule all of your theme park activities up to 30 days prior to your arrival or make plans once you arrive using the *My Disney Experience* mobile app or by using in-park kiosks.

If you don't have time to make plans prior to your arrival or need to make changes when you arrive, you can always use our free *My Disney Experience* mobile app, allowing you the freedom to update your plans on the go.

Purchasing MagicBands:

As part of *MyMagic+* you have the ability to purchase a colorful, waterproof wristband that can be linked to your valid theme park (RF-enabled) ticket, allowing you to enter theme parks and access your *FastPass+* selections with a touch of your wrist. *MagicBands* can be purchased at select locations at a cost of \$12.95 + tax. In order to purchase a *MagicBand*, you must have your valid RF-enabled theme park ticket with you so it can be linked and used as your theme park ticket. A *MagicBand* is not required to enjoy your experience at the *Walt Disney World*® Resort and you can still have a great experience using your valid RF-enabled theme park ticket to perform many of the same functions.
