

Disney Spring Training includes select team video analysis subscription(s) provided by PowerChalk.com., at no cost. In our continuing efforts to provide the best facilities and tools, PowerChalk will provide each Disney Spring Training team with the following subscription services.

## Athletes:

Each Disney Spring Training athlete will receive a twelve (12) month subscription to the PowerChalk.com video analysis service that includes the following options/features:

- Single screen ChalkTalk Telestrator®
- Twenty (20) count video locker that allows you to upload and share your video content with coaches, friends, and family
- Two (2) minute recording capacity
- PowerCast Watch screen-share.

## Coaches:

Two Coaches from each Disney Spring Training Team will receive a twelve (12) month subscription to the PowerChalk.com video analysis service that includes the following options and features:

- Split-Screen ChalkTalk Telestrator®
- One hundred (100) count video locker
- Five(5) minute recording capacity
- PowerCast Watch screen-share
- PowerCast Broadcast screen-share
- Multi-file upload

PowerChalk.com provides your team access to the world's first "no software" motion analysis system. Using your mobile phone and a browser, PowerChalk allows you to film your moves and game segments and to analyze them in slow motion. Sign up today for your PowerChalk account to use at Disney Spring Training at ESPN Wide World of Sports Complex® and begin to analyze and improve.
