

The Danone Nations Cup 2013 - will be held for the 4th consecutive year at ESPN Wide World of Sports as part of the Disney's Memorial Day Soccer Shootout presented by Danimals®. The event will take place May 24th through the 27th, 2013.

As in the past the winner of this event will receive an all expense trip for 12 athletes and 2 coaches to compete against teams from 40 other countries. This year's Danone Nations Cup World Championships will take place in London, England at a date and time to be determined.

Important reminders for this year's event please read as there have been changes from the last year's event:

- **Danone Nations Cup is an event to celebrate the team and therefore is limited to existing teams or club all-star teams***
- **All players must be born in 2001 or 2002 no exceptions**
- **Maximum Roster size – 12 players (was 14)**
- **Club All-Star or existing teams only**
- **No Guest Players (was 3)**
- **No multi-club all-star teams**
- **Roster to be frozen on May 1, 2013****
- **Games at ESPN will be 8v8 (9v9 at the World Championships)**
- **Depending on the number of teams who register teams may be required to play Friday night May 24th.**

*Due to the age group being split by using the January 1st cutoff date we understand that some teams will be a mixture of the two age groups from one club that have children born in 2001 and 2002. All players must be registered to the same club.

**Due to the reduced number of players allowed at this year's event any changes to the roster after the roster freeze date must be approved by the tournament committee and in no case will a player be allowed to participate for a team who was not registered to the club prior to the May 1st date.

Please email the Tournament Director, mark.luster@disney.com, directly with any questions or concerns you might have.
