

RUNNER ETIQUETTE

- The race staff would like to thank you in advance for considering these etiquette tips as you enjoy the *Disneyland®* Half Marathon.
- Please pay attention to pre-race instructions – both print and verbal. What you read and hear will not only help guide you through the course but will help keep you safe.
  - Please enter your correct start corral. This will ensure that you are running with people who have a similar pace.
  - Run or walk no more than two abreast. Other runners will want to get by you. If you are walking in a group, please start in the last corral.
  - If you want to run with a friend and they are in a different corral, the faster of the two can move back to the slower corral.
  - Move to the side if someone behind you says “Excuse Me” or “Coming Through”.
  - If you are stopping at a water or food station, move all the way over to the table. Grab water and move away from the table so that others may also get water.
  - Feel free to shout words of encouragement to other runners. You will hear words of encouragement in return.
  - When you are approaching the Finish Line, you may see loved ones cheering you on. Please do not encourage anyone to join you in the finish line stretch. Your support team is very important, but please communicate that the finish area is for registered runners and staff only.
  - Water and select food items will be available for all race finishers after the Finish Line. Please be courteous to those finishing behind you and take only one of each item.

Please remember to thank the volunteers and have a great race!

Retrieve Bags	5:45-8:30 a.m.	Retrieve Bags	6:30-10:30 a.m.

If you must check a bag, you MUST use the clear bag provided to you at Packet Pick-Up. NO EXCEPTIONS. Once you finish, your race number will be used to verify your bag. Do not check any valuable items. The Event Staff is not responsible for any lost, damaged, or stolen items. Do not leave any belongings unattended, and if you see something suspicious, please say something to race officials and security personnel.

RACE BIBS

Each runner will be issued a race bib at Packet Pick- Up. Please wear the race bib on the front of your shirt. Participants without a race bib will be removed from the course for security and safety reasons. **Please complete the Emergency Information on the back of the bib.**

TIMING

A ChronoTrack B-Tag will be attached to the back of the 10K and Half Marathon race bibs to record your official and net time (the time it takes you to get from the start line mats to the finish line mats) and will be used to determine the scoring for awards. Do not remove, bend or break the ChronoTrack B-Tag, or alter it in any way. Without the B-Tag, your official time **WILL NOT** be recorded.

PACING

All athletes are required to maintain a pace of 16-minutes-per-mile throughout the entire race. Anyone who is not able to maintain a 16-minute-per-mile pace may be escorted or transported to the Course Pick-Up Tent in the Pinocchio Parking Lot. Participants may be picked up at any point along the course for not maintaining a 16-minute-per-mile pace.

Pace cyclists will be on the course indicating when runners are behind pace by posting orange flags at mile markers according to the official pace time. If you reach a mile marker with an orange flag, you are behind the required 16-minute-per-mile pace and can be picked up at any time.

Runners unable to finish the race due to injury or fatigue may stop at any medical or water station for assistance and transport to the Course Pick-Up Tent, in the Pinocchio Parking Lot.

RESTROOMS

For your convenience, port-o-lets will be located near the Start & Finish Lines, water stops, and the Family Reunion Area. Guest restrooms in the Theme Parks will also be available for participants.

SAFETY

For the safety of yourself and the other participants, baby joggers, strollers, baby carriers, baby backpacks, inline skates, motorized scooters, bicycles, skateboards, canes, crutches, walkers, walking sticks and animals of any kind are prohibited from the course. If you are seen in violation of one of these you will be removed from the course and transported to the finish line area. Headphones are discouraged due to audio messages that are placed throughout the course to ensure your safety.

MEDICAL SUPPORT

Medical personnel will be available to give emergency care, as well as tend to non-critical injuries along the course and at the Finish Line. Runners unable to finish the race may stop at any of the medical or water stations for assistance. Support vans will follow the race, picking up runners who need assistance and transport them to the Course Pick-Up Tent, in the Pinocchio Parking Lot. If you require information on a runner who does not return to the finish area, please see the Information Tent located in the Family Reunion Area.

IN THE EVENT OF EXTREME HEAT

Heat Index: All course Medical Stops will have the appropriate flag color displayed according to the existing conditions:  
**YELLOW FLAG** - Those with high risk of heat stroke should withdraw.  
**RED FLAG** - All should be aware that heat injury is possible. Those susceptible to heat should be advised not to compete and all participants are urged to slow their pace and hydrate adequately.  
**BLACK FLAG** - If a black flag condition occurs, all participants will be advised not to compete; the race will become a fun run and no times will be recorded from that point forward.

WEATHER

The race will be held rain or shine. If there is lightning in the area, the race may have a delayed start or, depending on the intensity of the weather, be canceled. The determination will be made by Event Management staff.

REFRESHMENTS

Water stations will be available along the 5K and 10K courses. For the Half Marathon, both Dasani water and PowerAde® will be available at 9 stops along the course, along with Clif Shots® near mile 9. There will be a refreshment area providing Dasani water, PowerAde® and nutrition boxes to runners inside the finish area of the 5K, 10K, and Half Marathon.
