

Individuals Plan FastPass+ Experiences in Advance

Things to Consider:

- Most groups use this plan.
- Individual group members can begin reserving access to FastPass+ experiences **30 days** from your group's arrival date (valid Theme Park tickets required).
- Before linking tickets in the My Disney Experience profile, assign each member of the group a ticket card by writing their name on the ticket card. Felt-tip permanent markers work best. If you're adding name stickers to the ticket cards, please place the stickers on the front (color) side of the card.
- When in doubt during the planning process, always return to the "Planning Page" of your My Disney Experience account.

Follow these steps to get started with Disney FastPass+:

1. Be sure to have your ticket card or Ticket ID number in hand.

2. Go to StartYourDisneyExperience.com

3. Once you have a My Disney Experience account, select My Reservations and then "link a ticket or pass"

- The Ticket ID number can be found near the lower left corner of the ticket.
- Enter your Ticket ID number in the field and select your name as the ticket user.

Tip: Before beginning, assign each member a ticket by writing their name on a ticket card.

4. Reserve Access to FastPass+ Experiences

- Please keep any scheduled events in mind when making FastPass+ selections.
- Not all options may fit with your group's schedule. However, FastPass+ times can be modified based on availability after confirming initial selections.
