

Group Leader Plans FastPass+ Experiences in Advance

Things to Consider:

- Group Theme Park tickets must be purchased prior to arrival.
- Group Leaders can begin reserving access to FastPass+ experiences **30 days** from the group's arrival date (valid theme park tickets required).
- Before linking tickets in the My Disney Experience profile, write each Guest's name on a ticket card. Felt-tip permanent markers work best. If you're adding name stickers to the ticket cards, please place the stickers on the front (color) side of the card.
- Planning for less Guests at a time may yield a wider range of FastPass+ experience options. Break your group into smaller numbers to plan for (10 or less is recommended).
- Plan to spend approximately one hour for every 40 group members.

Follow these steps to get started with Disney FastPass+:

1. Go to [StartYourDisneyExperience.com](https://www.startyourdisneyexperience.com)

- Create a group account with a unique group email address and enter the information fields with your organization's or school's information.

Tip: Group email addresses can be created via a free email generator. It's best not to use a personal email address if the same email address will be used for personal Walt Disney World® visits in the future.

2. Link Theme Park Tickets to the Group Account

- Click on "My Family & Friends" and then "+ Add a Guest". Add Guests "By entering his or her name" and repeat until all Guests are added. If a group contains more than 10 members, it is best to split up to separate chaperones for ease in scheduling FastPass+ selections.
- After creating Family & Friends, click "My Reservations and Tickets", then select "Link Tickets". You will then have the ability to add each Ticket ID Number and assign each to a separate Guest you previously created. Be sure each ticket is linked to a separate Guest (each Guest should only have one ticket attached each).

Tip: Before beginning, assign each member a ticket by writing his/her name on a ticket card.

3. Reserve Access to FastPass+ Experiences

- It is recommended that you plan for 10 (or less) Guests at a time.
- Please keep the group's pre-scheduled events in mind when making FastPass+ selections.
- Not all options may fit with your group's schedule. However, FastPass+ times can be modified based on availability after confirming initial selections. After arriving, use FastPass+ kiosks in any of the 4 theme parks or via the My Disney Experience mobile app to modify experiences.

Tip: Planning for less Guests at a time may yield a wider range of experience options.
