Welcome Letter

Greetings, Grad Nite chairperson.

Welcome to our 55th annual Grad Nite event at the *Disneyland®* Resort.

In just a couple of months, we can't wait to welcome your group to *Disneyland®* Resort Grad Nite 2016 at *Disney California Adventure®* Park, a tradition that dates back to 1961.

We understand that planning an event of this magnitude is not possible without the dedication of many teachers and parents, so on behalf of the entire *Disneyland®* Resort Grad Nite team, thank you!

We hope that this Chaperone Planning Guide will not only help answer your questions about Grad Nite 2016, but those of your students and parents of the students as well.

If you or your chaperones have additional questions that are not answered in this guide, please contact the Grad Nite office, open Monday through Friday 8:30 a.m.–5:00 p.m. (PST).

Grad Nite Office phone: 1-800-232-7980, option 3
Email: dlr.grad.nite@disney.com

In an effort to return calls and emails in a timely manner, all student and parent questions should be routed through the Grad Nite chairperson or main contact for the school. Should any special requests or needs arise, please contact us via email as soon as possible. All requests will be reviewed and are not guaranteed.

While you are here, we hope you and your students have time to enjoy all that the Resort has to offer, including our Diamond Celebration.

We look forward to hosting you and your high school seniors at the *Disneyland®* Resort in May and June!

Sincerely,

Please verify the following information:

- Tickets received have the correct Grad Nite 2016 event date printed on them
- Student and chaperone tickets were received
- Quantity of student and chaperone tickets is correct. Please count each ticket individually. The barcode numbers printed on your tickets are not always in numerical order.

All ticket media discrepancies must be brought to the attention of Ticket Sales and Services within five (5) business days after receiving the ticket media. If our office does not hear from your group within this time frame, it will be assumed your group received the correct number of Grad Nite tickets.

Chaperone Information

It is your responsibility as the Grad Nite chairperson, to share this handbook with all of your chaperones attending Grad Nite 2016. As a reminder, all chaperones must be at least 25 years of age.

As a chaperone for Grad Nite 2016, you are an integral part of the magic and can help us ensure a memorable and safe night for your graduating seniors. Here are some tips on how you can help us:

Prepare for the Magic—Pre-Arrival

- As a suggested guideline for schools, students who have been recommended for expulsion or who have had serious disciplinary action are not considered “students in good standing” and therefore should not be permitted to participate in Grad Nite 2016. It is the responsibility of the school to determine that all students participating in Grad Nite are in good standing prior to arrival.
- Confirm all students attending Grad Nite 2016 are members of your school/organization and are graduating high school seniors.
- Schools/organizations are responsible for conducting their own thorough security and dress code screening prior to arrival at the *Disneyland*® Resort. Make sure students adhere to appropriate Dress Code Guidelines and do not have any prohibited items (see pages 18–20).
- The Grad Nite backstage screening entry point will open at published Park hours on each Grad Nite date. Park hours are posted approximately six (6) weeks in advance on *Disneyland.com*. **All Grad Nite groups must arrive at the backstage screening entry point by 9:30 p.m. on all Grad Nite dates.**
- We recommend creating a roster of all students and chaperones attending Grad Nite 2016 and conducting a roll call prior to departing for Grad Nite and upon departing from the *Disneyland*® Resort after the event.
- Determine a communication plan for the Grad Nite chairperson, chaperones and bus drivers to contact each other if needed.
- Pack cell phone charging cables and mobile chargers to bring to the event.
- Chaperones may not bring their children to Grad Nite. Please plan an alternate care method for your children while chaperoning Grad Nite 2016. No exceptions.
- In April, the Grad Nite chairperson will receive an email with a link to our chaperone information collection site. We will be collecting the following information from your group: arrival and transportation plans, name and cell phone numbers of day-of chaperones. Cell phone numbers should be of those chaperones who will physically be at the Grad Nite event. Each group must provide a minimum of two (2) day-of chaperones with the ability to add up to ten (10).
- We expect all chaperones to make supervising their students their number one priority while at Grad Nite. If a *Disneyland*® Cast Member calls a chaperone, we expect them to answer and to assist us immediately.

Protect the Magic—Upon Arrival

- Regardless of arrival time, Grad Nite 2016 participants will make their initial entry to *Disney California Adventure*® Park using the backstage security screening area.
- It is the school group's responsibility to ensure that all students and chaperones attending Grad Nite arrive at the *Disneyland*® Resort sober and without prohibited items (including drugs or alcohol and outside food and beverages) in their possession. We expect schools to conduct thorough bag checks and student screenings prior to allowing students to board the buses for Grad Nite. Please review the *Disneyland*® Resort Grad Nite Policies & Expectations on pages 10–11 carefully.
- Following the completion of our backstage security screening, students and chaperones with a valid Grad Nite ticket will be issued a wristband.
- All students attending the Grad Nite 2016 private event 10:00 p.m.–2:00 a.m. at *Disney California Adventure*® Park must have a valid Grad Nite 2016 ticket and wristband to enter.

Enjoy the Magic—On the Day of the Event

- A Grad Nite Cast Member will be available at the West Esplanade Information Booth (located outside the Park Guest screening tents) 1:00 p.m.–10:00 p.m.
- If you require assistance during the Grad Nite private event (10:00 p.m.–2:00 a.m.), please visit the Chamber of Commerce on Buena Vista Street inside *Disney California Adventure*® Park.
- Throughout the event, chaperones must remain on property with access to their cell phones. During the private Grad Nite event, chaperones are required to stay inside *Disney California Adventure*® Park and supervise the behavior and activity of their students.
- A small quantity of mobile device charging lockers is available on Buena Vista Street for a minimal fee should you need to charge your cell phone during the event and did not bring a mobile charger. While some of these lockers have basic charging cables for the most popular cell phones in the current market, it is highly recommended you bring your own charging cable(s).
- **Chaperones may not purchase alcohol while visiting for Grad Nite.**
- Chaperones may enjoy attractions and entertainment with their students during the Grad Nite private event. Please note chaperone wristbands may not be used as a FASTPASS® ticket to attractions. All chaperones must wait in standard attraction queues with students.
- While there is no designated chaperone headquarters for 2016, we encourage chaperones to take breaks as necessary and utilize some of our higher-capacity seating areas listed below. (Availability is subject to change.)
 - o Paradise Gardens in Paradise Pier
 - o Fiddler, Fifer & Practical Cafe in Buena Vista Street
 - o Smokejumpers Grill in Grizzly Peak Airfield
 - o Flo's V8 Cafe in Cars Land

With your help, we can carry on the legacy of Grad Nite at the *Disneyland*® Resort! Thank you in advance for your cooperation!

Disneyland® Resort Grad Nite Policies & Expectations

It is the school's responsibility to ensure that all students and chaperones attending Grad Nite arrive at the *Disneyland®* Resort sober and without drugs, alcohol and other prohibited items in their possession. We expect schools to conduct thorough bag checks and student screenings before allowing students to board buses for Grad Nite. Similar to the security screening process for all *Disneyland®* Resort Guests, students and chaperones should expect bag checks and random magnetometer screenings in our backstage screening area.

In partnership with the Anaheim Police Department, we will also be conducting screenings for banned substances. Screenings will include bag searches and the use of drug-sniffing canines. If bag searches and/or the drug-sniffing canines indicate the presence of an illegal substance, we will ask the subject chaperone or student for permission to conduct a pat-down search.

If any banned substances are found on the bus or in the possession of a student or chaperone, the matter will be turned over to the Anaheim Police Department for further action. Schools/groups that violate this policy are subject to being banned from future Grad Nite events. Remember, attending Grad Nite is not a right; it's a privilege.

Chaperones are expected to provide responsible adult supervision both during the day and evening hours of Grad Nite 2016. Therefore, chaperones may not consume alcoholic beverages during their visit to the *Disneyland®* Resort for Grad Nite 2016. Chaperones violating this policy will not be allowed into the Grad Nite private event and may jeopardize future Grad Nite invitations for their school.

All students attending Grad Nite must be graduating high school seniors and in good standing with their school. It is expected that each student and chaperone attending Grad Nite 2016 has his/her own Grad Nite ticket media. Tickets are not transferable.

Children of chaperones and/or students will not be allowed into the private event. If a student or a chaperone is seen with a child during the private event, they will be asked to leave—no exceptions. Please leave all children at home.

To ensure a safe and enjoyable experience for all Grad Nite attendees and other Park Guests, please respect the following rules.

Excessive celebratory behaviors that can be interpreted by other Guests as intimidating and/or disruptive are prohibited at the *Disneyland*® Resort and during the Grad Nite event:

- Groups walking and/or running in locked arms (this can appear threatening to other Guests and is also a safety concern in impacted areas).
- Group chanting of any kind including yelling at high volumes in attraction queues.

The following behaviors and activities are not tolerated at the *Disneyland*® Resort:

- Inappropriate touching or physical aggression of any kind
- Failure to comply with a request of a Disney Cast Member (our Cast Members are trained to direct our Guests for optimal safety and to comply with our standards of conduct)

- Theft or vandalism
- Line jumping/cutting in attraction queues
- Failure to comply with attraction safety rules
- The distribution of printed or recorded materials of any kind
- Photography, videotaping or recording of any kind for commercial purposes
- Feeding any animals in the Parks, including birds
- Smoking or vaping

The following items are prohibited for all Grad Nite attendees (students & chaperones):

- Alcoholic beverages or any illegal substances
- Glass containers of any size or type
- All outside food and liquids, including water bottles
- Weapons of any kind, or objects that appear to be weapons
- Laser pointers or other items deemed potentially harmful or disruptive
- Cigarettes, vaporizers and electronic cigarettes
- Selfie sticks (hand-held extension poles for cameras and mobile devices)

- Large tripods
- Recreational devices such as drones, remote control toys, skateboards, scooters, inline skates, shoes with built-in wheels

If a chaperone witnesses inappropriate student behavior, we ask that the chaperone notify a *Disneyland*® Resort Cast Member immediately. If a student or chaperone is expelled from the *Disneyland*® Resort or Grad Nite 2016, it is the responsibility of the school official(s) to dismiss the student or chaperone from the *Disneyland*® Resort property.

For complete list of items that are not permitted: disneyland.disney.go.com/faq/parks/permitted-items/

Medication is no longer subject to inspection by our nurses. As a chaperone for your group, please be aware of any and all medications your students are bringing with them to the *Disneyland*® Resort as it will be subject to inspection by security. Physician-prescribed marijuana is prohibited. Medication needing refrigeration may be stored at *Disney California Adventure*® Park First Aid.

Transportation & Arrival Procedure

We want to ensure that your arrival to the *Disneyland*® Resort goes as smoothly as possible. It is very important that the Grad Nite chairperson shares the following information with their bus driver or other driver(s). Final transportation information will be communicated to you in early May via email. When you receive this final information, please provide all drivers of your vehicles with copies of driving instructions. As a reminder, all school groups must arrive together unless you've made previous arrangements with the Grad Nite team due to a school event conflict (e.g., band, CIF tournament, etc.).

School Bus, Private Bus or Large Vans

- NEW – All vehicles must enter the *Disneyland*® Resort Grad Nite entry point on Disneyland Drive and Downtown Drive.
- Your school's vehicle placard (to be mailed out approximately 2 weeks prior to your event) must be visibly placed in the front windshield of the vehicle entering through this location or entry will be denied.
- Once granted entry, vehicles should drive along the designated route and prepare to temporarily park and have students/chaperones disembark.
- Chaperones should make sure each student has a student Grad Nite ticket and chaperones have a chaperone Grad Nite ticket in hand prior to disembarking the bus.
- Prepare to leave behind or dispose of all outside food and beverages prior to disembarking the bus/van.
- We ask that at least one chaperone trail behind their students to make sure all students have completed the backstage security screening and have successfully entered *Disney California Adventure*® Park.

Chaperone-Driven Vehicles

- In addition to the guidelines listed above under School Bus, Private Bus or Large Vans, smaller groups (fewer than 30 students total) arriving to the Grad Nite backstage entry point in chaperone-driven vehicles must have at least one (1) chaperone riding along who can disembark with the group and ensure all students proceed through the security screening and enter into *Disney California Adventure*® Park.
- The chaperone-driven van/vehicle will then be rerouted to park at the Mickey & Friends Parking Structure.
- Chaperones dropping off vehicles at the Mickey & Friends Parking Structure can pick up a wristband from the West Esplanade Information Booth 1:00 p.m.–10:00 p.m. Please be prepared to show your Grad Nite ticket to verify participation.

Airport Shuttles, Taxis, Other Vehicle Dropoffs

- Smaller groups (fewer than 30 students) may use an alternate method of transportation and be dropped off in our backstage screening area via taxi, airport shuttle or other transportation method, as long as the group arrives together with the appropriate parking placard (to be mailed out approximately 2 weeks prior to your event).
- Please make sure your shuttle or taxi driver has your group's placard clearly visible in the front windshield of the vehicle prior to approaching the Grad Nite entry point on Disneyland Drive and Downtown Drive.
- All shuttles/ taxis must arrive in close proximity to each other and have a chaperone in the lead and end vehicles. The security screening cannot begin without the entire group and chaperones present.

NEW – Walking from a Local Hotel

- Just added for 2016, groups staying at local hotels within walking distance must bring their entire group (all chaperones and students) to the pedestrian entrance located on Katella Avenue just east of the Anaheim Convention Center crosswalk.
- All students and chaperones must have a valid Grad Nite ticket in hand before entry will be granted through this gate.
- Prepare to leave behind or dispose of all outside food and beverages prior to entering this location.
- Once granted entry through this pedestrian gate, students and chaperones will walk the designated route to the backstage security screening entrance.
- We ask that at least one chaperone trail behind their students to make sure all students have completed the backstage security screening and have successfully entered *Disney California Adventure*® Park.

Event Departure

At the end of the Grad Nite private event, all students and chaperones will exit the *Disney California Adventure*® Park Main Entrance and board trams to the Mickey & Friends Parking Structure. DRESS CODE GUIDELINES

The *Disneyland*® Resort Dress Code Guidelines and Prohibited Items list have been established to ensure a safe event for all our Guests. It is ultimately the school's responsibility to ensure that all students and chaperones adhere to the *Disneyland*® Resort Dress Code Guidelines upon arrival.

Attire that is not appropriate for the Theme Parks (and which may result in refusal of admittance or ejection) includes, but is not limited to:

- Costumes worn by Guests 14 years of age or older
- Masks worn by Guests 14 years of age or older (unless they are for medical purposes)
- Clothing with objectionable material, including obscene language or graphics

- Clothing which, by nature, exposes excessive portions of the skin that may be viewed as inappropriate for a family environment
- Clothing with multiple layers that is subject to search upon entry
- Visible tattoos that could be considered inappropriate, such as those containing objectionable language or designs
- Bare feet

Exception: Attire intended to identify those wearing it is acceptable (e.g., military uniforms, cultural attire)

Please note: Some individual schools' dress code policies may be stricter than that of the *Disneyland*® Resort. We highly suggest that all schools/organizations conduct their own security and dress code screening prior to departure and arrival at the *Disneyland*® Resort for faster and smoother processing once at the Main Entrance.

Disneyland® Resort Security has the right to refuse admission to anyone it deems inappropriately dressed.
