

## ELECTRONIC VIDEO & PHOTO MATERIAL SUBMISSIONS

Please send your video, audio and image audition files by “RelayIt”. “RelayIt” is a web-based service that will allow you to upload your audition files to us using our email address, [dlr.disney.jazz.celebration@disney.com](mailto:dlr.disney.jazz.celebration@disney.com) “RelayIt” is a private service, and does not function when sending to non-Disney email addresses. Audition materials can be submitted up to one year in advance of your requested performance date. Audition files that do not meet the following guidelines will not be accepted.

### VIDEO SUBMISSION

For each group's application, submit three audition pieces that best reflect the group in performance.

- Each audition piece should be a SEPARATE video file that is less than one-year old.
- Promotional videos or adjudication videos or videos that include other groups are not acceptable.
- Selections submitted should be of the entire song or music selection.
- Each video should accurately represent number and age of the performers who intend to participate in Disney Performing Arts, and feature selections typical of the group's proposed performance at the Disneyland® Resort.

ONLY upload compressed (lower quality/low bit-rate) video files. Uploading high quality video can take several hours and may result in file corruption due to service limitations. Uploading video in formats other than those listed below will delay your application because we are able to view ONLY these types:

.MPG, MPEG, MPEG-4 (open standard – use lower quality)  
.WMV (Windows Media – use lower quality)  
.MOV (QuickTime– use lower quality)

Each video should be less than 5 minutes in length. Title each file with the group's name and a number. For example: “ groupName1.mov” and “groupName.mov”.
